

Nirvana Red

NGS Nirvana makes your listening experience intimate and personal, reaching a state of total bliss. Intense, warm colours ... choose the one that suits your mood. NGS Red, Blue and Purple Nirvana, these original headphones will set the trend. NGS Red Nirvana combines black with red, NGS Nirvana Blue mixes turquoise with black and NGS Purple violet with black. NGS Nirvana headphones feature powerful sound and outstand for its size that fits snugly to your ear, isolating from external noise. Enjoy your music anywhere! Its padded leatherette made ear cups are perfect for long listening sessions. It incorporates an extensible and padded headband custom fit for every head shape. The rubber finish gives it a youthful and elegant look, simple irresistible! Finally, they are easily transportable and can be folded to reduce the size and place them in small spaces. Furthermore its cable is removable to prevent breakage or snags, a flat cable that prevents tangling.
